

KORE MINING LTD.

INFORMATION CIRCULAR

(as at February 13, 2023 unless indicated otherwise)

This Information Circular is furnished in connection with the solicitation of proxies by the management of KORE Mining Ltd. (the “Company”) for use at the annual general and special meeting (the “Meeting”) of its shareholders to be held on March 15, 2023 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Company”, “we” and “our” refer to KORE Mining Ltd. The “Board of Directors” or the “Board” refers to the Board of Directors of the Company. “Common Shares” means common shares without par value in the capital of the Company. “Company shareholders”, “shareholders” and “shareholders of the Company” refer to the shareholders of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy (who is not required to be a shareholder), to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and

(c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

The Company intends to hold the meeting in person. **However, all persons are encouraged NOT to attend but to vote on matters at the Meeting by proxy, appointing a management proxyholder to limit the number of attendees.**

Regardless of whether or not a shareholder plans to attend the Meeting in person, the Company strongly encourages that all registered shareholders (a shareholder whose name appears on the records of the Company as the registered holder of Common Shares) vote by proxy. To be valid, a proxy must be signed by the shareholder or the shareholder's attorney authorized in writing, or, if the shareholder is a corporation, by a duly authorized officer or attorney. Proxies must be delivered to the Company c/o Proxy Department, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 prior to 10:00 a.m. (Vancouver time) on Monday, March 13, 2023 or, in the case of any adjournment or postponement of the Meeting, no later than 48 hours before the time of such reconvened meeting. Failure to properly complete or deposit a proxy may result in its invalidation.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited which acts as nominee for many Canadian brokerage firms), and, in the United States of America (the "**United States**"), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their identity being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing their identity (called "**NOBOs**" for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

The Company is relying on the provisions of National Instrument 54-101 *Communication with Beneficial Owners of Securities* of a Reporting Issuer that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form ("**VIF**") from the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"). The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the Common Shares of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for: (a) delivering these materials to you; and (b) carrying out your voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Objecting Beneficial Owners

The Company has elected not to pay for an intermediary to deliver proxy-related materials and VIFs to Objecting Beneficial Owners. Accordingly, OBOs will not receive material unless their intermediary assumes the cost of delivery. Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a VIF in lieu of the Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company, and who can be you) other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting. To exercise this right, insert the name of the desired representative, who may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of applicable provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of applicable provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the "**Business Corporations Act**"), as amended, and its directors and executive officers are residents of countries that, and a substantial portion of its assets and the assets of such persons, are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare Investor Services Inc. at the address set forth in the Proxy, or to the Company at the address of the registered office of the Company at Suite 960, 1055 West Hastings Street, Vancouver, British Columbia V6B 0B8, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned or postponed, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

To the best of our knowledge, except as otherwise disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last completed financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Record Date

The Board has fixed February 8, 2023 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either: (a) attend the Meeting personally; or (b) complete, sign and deliver a form of proxy in the manner and subject to the provisions described above, will be entitled to vote or to have their Common Shares voted at the Meeting.

Voting Securities

The Company's authorized share capital consists of an unlimited number of Common Shares without par value. The Common Shares are listed for trading on the TSX Venture Exchange (the "**TSXV**") under the symbol "KORE". As of the Record Date, there were 201,826,357 Common Shares issued and outstanding. The quorum for the transaction of business at the Meeting is one or more persons present in person or by proxy.

On a vote by a show of hands, every person present who is a shareholder or proxy holder and entitled to vote on the matter has one vote. On a poll, every shareholder entitled to vote on the matter has one vote in respect of each Common Share entitled to be voted on the matter and held by that shareholder and may exercise that vote either in person or by proxy. If there are joint shareholders registered in respect of any share: (a) any one of the joint shareholders may vote at any meeting of shareholders, personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or (b) if more than one of the joint shareholders is present at any meeting of shareholders, personally or by proxy, and more than one of them votes in respect of that share, then only the vote of the joint shareholder present whose name stands first on the central securities register in respect of the share will be counted. No group of shareholders of the Company has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, the only person that beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying more than

10% of the voting rights attached to all outstanding Common Shares of the Company as at February 8, 2023 was:

<u>Name of Shareholder</u>	<u>Number of Shares Held</u>	<u>Percentage of Issued Shares</u>
1130447 BC Ltd.	49,684,453	24.62%

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

RECEIPT OF FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended December 31, 2021, together with the auditor's report on those statement and the related management discussion and analysis, will be presented to the shareholders at the Meeting.

APPOINTMENT OF AUDITOR

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH SHAREHOLDER VOTE "FOR" THE APPOINTMENT OF DAVIDSON & COMPANY LLP AS AUDITOR. Unless authority to do so is withheld, the persons designated as proxyholders in the accompany Proxy intend to vote the Common Shares represented by such Proxy, properly executed, FOR the appointment of Davidson & Company LLP as auditor of the Company to serve until the close of the next annual general meeting of shareholders and the authorization of the directors to fix the remuneration of the auditor. Prior to November 8, 2022, the Company's auditor was PricewaterhouseCoopers LLP. In connection with the previous change in auditor, please see the enclosed Notice of Change of Auditor and letters from PricewaterhouseCoopers LLP and Davidson & Company LLP attached as Schedule A to this Information Circular.

Cease Trade Orders, Bankruptcies, Penalties and Sanctions

Other than as disclosed below, no proposed director of the Company:

- (a) is, as at the date of this Information Circular, or has been, within 10 years before the date of this Information Circular, a director, CEO or CFO of any company (including the Company) that (i) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (an "order") that was issued while the proposed director was acting in the capacity as director, CEO or chief financial officer, or (ii) was subject to an order that was issued after the proposed director ceased to be a director, CEO or CFO and which resulted from an event that occurred while that person was acting in the capacity as director, CEO or chief financial officer;
- (b) is, as at the date of this Information Circular, or has been within 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Jay Sujir was on the board of directors of Red Eagle Mining Corporation (“**Red Eagle**”) which was subject to a cease trade order issued by the British Columbia Securities Commission on November 20, 2018 for failure to file the interim financial statements, management’s discussion and analysis and certificate of interim filings for the period ended September 30, 2018.

Jay Sujir was on the board of directors of Red Eagle, which owned and operated the Santa Rosa mine in Columbia. Due to start up issues, Red Eagle had difficulty servicing its project debt and the mine was only able to commence commercial production on the basis of forbearances from the secured lenders. In August 2018, Red Eagle obtained a firm commitment from a third party to refinancing the debt with substantial concessions and co-operation from the secured lenders, but in October 2018 the third party defaulted on its commitment and as a result, the secured lenders withdrew their forbearances and appointed a receiver-manager over the assets of Red Eagle.

No proposed director has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

AMENDED STOCK OPTION PLAN

The TSXV requires that each company listed on the exchange have a stock option plan if the company intends to grant options to purchase shares in the company. The Company’s 10% rolling stock option plan (the “**Option Plan**”), dated March 11, 2008, as amended December 3, 2014, was implemented in order to comply with TSXV policies, and to provide incentive to directors, officers, employees, management and others who provide services to the Company or any subsidiary to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Option Plan is attached hereto as Schedule “C”. See the heading “*Executive Compensation – Option Plan and Omnibus Plan*” for more information on the Option Plan.

Under the Option Plan, a maximum of 10% of the issued and outstanding Common Shares of the Company at the time an option is granted, less Common Shares reserved for issuance outstanding in the Option Plan, will be reserved for options to be granted at the discretion of Board to eligible optionees. As at the date of the mailing of this Information Circular, there are options outstanding to purchase an aggregate of 8,825,000 Common Shares.

On November 24, 2021, the TSXV adopted a new policy, Policy 4.4 *Security Based Compensation* (the “**New Policy 4.4**”) governing security-based compensation. The changes to the policy relate to, among other things, the expansion of the policy to cover a number of types of security based compensation in addition to stock options. Subject to approval by shareholders, a number of amendments have been made to the Option Plan in accordance with the New Policy 4.4.

Accordingly, at the Meeting, shareholders will be asked to pass an ordinary resolution approving the Option Plan, as amended in accordance with the New Policy 4.4 (the “**Amended Option Plan**”). A summary of the material provisions of the Amended Option Plan are as follows:

1. the Amended Option Plan reserves, for issue pursuant to stock options, a maximum number of Common Shares equal to 10% of the outstanding Common Shares of the Company from time to time;
2. an optionee must either be a director, senior officer, employee, management company employee or consultant of the Company at the time the stock option is granted in order to be eligible;

3. the maximum aggregate number of Common Shares issuable pursuant to all security-based compensation (including stock options) granted to any one person in any 12-month period may not exceed 5% of the outstanding Common Shares at the time of grant without Disinterested Shareholder Approval (as defined in the Amended Option Plan);
4. the maximum aggregate number of Common Shares issuable pursuant to all security-based compensation (including stock options) granted to any one Consultant (as defined by the TSXV) in any 12-month period may not exceed 2% of the outstanding Common Shares at the time of grant;
5. the maximum aggregate number of stock options granted to all Investor Relations Service Providers (as defined by the TSXV) in any 12-month period may not exceed 2% of the outstanding Common Shares at the time of grant;
6. Investor Relations Service Providers (as defined by the TSXV) may not receive any compensation involving the issuance or potential issuance of Common Shares, other than stock options;
7. the aggregate number of Common Shares reserved for issue to insiders must not exceed 10% of the issued Common Shares at any point in time without Disinterested Shareholder Approval;
8. the aggregate number of Common Shares issuable pursuant to all security based compensation (including stock options) granted to insiders (as a group) in a 12-month period must not exceed 10% of the issued Common Shares, calculated at the time of grant, without Disinterested Shareholder Approval;
9. in accordance with the New Policy 4.4, the Amended Option Plan now provides that no stock options may be granted under the Amended Option Plan until the requisite yearly shareholder approval of the Amended Option Plan has been obtained;
10. the exercise price per common share for a stock option shall be determined by the Board and may not be less than the Discounted Market Price (as determined pursuant to the policies of the TSXV), subject to a minimum exercise price of \$0.10;
11. stock options may have a term not exceeding ten years;
12. stock options issued to Investor Relations Service Providers must vest such that: (i) no more than $\frac{1}{4}$ of the stock options vest no sooner than three months after the stock options were granted; (ii) no more than another $\frac{1}{4}$ of the stock options vest no sooner than six months after the stock options were granted; (iii) no more than another $\frac{1}{4}$ of the stock options vest no sooner than nine months after the stock options were granted; and (iv) the remainder of the stock options vest no sooner than 12 months after the stock options were granted;
13. other than in the case of (i) death, (ii) termination for cause, or (iii) as a result of prevention by order of a regulatory authority with appropriate jurisdiction, stock options will cease to be exercisable no later than the earlier of the Expiry Date (as defined in the Amended Option Plan) and 90 days after the optionee ceases to be a Director, Officer, Employee, Consultant, or Management Company Employee (each as defined in Amended Option Plan) or for a "reasonable period" (not exceeding 12-months) after the optionee ceases to serve in such capacity, as determined by the Board ;
14. stock options are non-assignable and non-transferable;
15. the Amended Option Plan now contains a "cashless exercise" provision and a "net exercise" provision. The "cashless exercise" provision provides a mechanism for a brokerage firm to facilitate the exercise of a stock option by loaning funds to the optionee. The "net exercise" provision allows for a method of stock option exercise under which the optionee does not make any payment to the issuer for the exercise of their stock options and receives, on exercise, a number of shares equal to the value (current market price less the exercise price) of the stock option valued at the current market price. Pursuant to the New Policy 4.4, the current market price must be the 5-day volume

weighted average trading price prior to stock option exercise. The "net exercise" provision is not available for use by Investor Relations Service Providers (as defined by the TSXV);

16. the Amended Option Plan contains provisions for adjustment (subject to prior TSXV acceptance, if applicable) in the number of Common Shares or other property issuable on exercise of stock options in the event of a share consolidation, split, reclassification or other relevant change in the Common Shares, or a stock dividend, arrangement, amalgamation, merger or combination, or other relevant change in the Company's corporate structure, or any other relevant change in the Company's capitalization; and
17. Disinterested Shareholder Approval will be obtained for (i) any reduction in the exercise price of, or extension to the term of, a stock option if the optionee is an insider of the Company at the time of the proposed amendment, (ii) for any amendment resulting in a benefit to an insider of the Company, and (iii) for any increase to the limits prescribed by the Amended Option Plan, including any grant that would result in such limits being exceeded, and for any other type of compensation granted through the issuance of Common Shares.

A copy of the Amended Option Plan is available on request from the Company.

At the Meeting, shareholders will be asked to vote on the following ordinary resolution, with or without variation:

"BE IT RESOLVED THAT:

1. the Company's rolling Stock Option Plan (the "**Plan**"), as amended, as more particularly described in the information circular of the Company dated February 13, 2023, be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the Policies of the TSX Venture Exchange, as the directors of the Company may deem necessary or advisable;
2. To the extent permitted by law, the Company be authorized to abandon all or any part of the Plan if the board of directors deems it appropriate and in the best interests of the Company to do so; and
3. Any one or more of the directors and officers of the Company be authorized to perform all such acts, deeds and things and execute, under seal of the Company or otherwise, all such documents as may be required to give effect to these resolutions."

The Board has concluded that the amendment to the Option Plan is in the best interests of the Company and its shareholders. **Accordingly, the Board unanimously recommends that the shareholders approve the Amended Option Plan by voting FOR the above resolution at the Meeting.**

Proxies received in favour of management will be voted in favour of the amendment to the Option Plan, unless the shareholder has specified in the Proxy that his or her Common Shares are to be voted against such resolution.

AMENDMENT OF OMNIBUS PLAN

The Board adopted an omnibus plan (the "**Omnibus Plan**") on September 4, 2020, with the shareholders approving at the annual general meeting held on October 9, 2020. The Omnibus Plan was implemented because of the Company's desire to have a wide range of incentive awards, including restricted share units ("**Restricted Share Units**"), deferred share units ("**Deferred Share Units**"), performance awards ("**Performance Awards**") and other share-based awards ("**Other Share-Based Awards**") (each an "**Award**" and, collectively, the "**Awards**") available to attract, retain and motivate employees, directors and consultants of the Company.

The Omnibus Plan is currently a fixed plan which reserves for issuance a maximum of 10,605,828 common shares. On November 24, 2021, the TSXV adopted the New Policy 4.4 governing security-based compensation. The changes to the policy relate to, among other things, the expansion of the policy to cover a number of types of security based compensation in addition to Awards. Subject to approval by shareholders, a number of amendments have been made to the Omnibus Plan in accordance with the New Policy 4.4. Accordingly, at the Meeting, shareholders will be asked to pass an ordinary resolution approving the Omnibus Plan, as amended in accordance with the New Policy 4.4 (the “**Amended Omnibus Plan**”).

Assuming approval by shareholders of the Amended Omnibus Plan, there will be a maximum of 20,182,635 common shares reserved for issuance under the Amended Omnibus Plan, subject to certain conditions. This limit, together with the 10% rolling limit under the Option Plan, gives the Company the flexibility to grant and award insiders any combination of Awards and options as appropriate and determined under the Company’s compensation policies

A summary of the material provisions of the Amended Omnibus Plan are as follows:

1. The Company may grant Restricted Share Units, Deferred Share Units, Performance Awards and certain other share-based awards under the Amended Omnibus Plan.
2. The maximum number of Common Shares issuable upon the exercise or redemption and settlement of all Awards granted under the Amended Omnibus Plan shall not exceed 20,182,635.
3. The Company cannot grant Awards:
 - (a) to any one person in any 12 month period which could, when exercised, result in the issuance of Common Shares to such person exceeding 5% of the issued and outstanding Common Shares under the Amended Omnibus Plan and the Company's other security-based compensation plans, calculated as at the date of the grant unless the Company has obtained Disinterested Shareholder Approval to the grant;
 - (b) to any one consultant in any 12 month period which could, when exercised, result in the issuance of Common Shares to such consultant exceeding 2% of the issued and outstanding Common Shares granted under the Plan and the Company's other security-based compensation plans, calculated as at the date of the grant;
 - (c) to Persons who are insiders which could, when exercised, result in the issuance of Common Shares to such Persons (as a group) exceeding 10% of the issued and outstanding Common Shares granted under the Amended Omnibus Plan and the Company's other security-based compensation plans, at any point in time, unless the Company has obtained Disinterested Shareholder Approval to the grant; or
 - (d) in any 12 month period, to Persons who are insiders which could, when exercised, result in the issuance of Common Shares to such Persons (as a group) exceeding 10% of the issued and outstanding Common Shares granted under the Amended Omnibus Plan and the Company's other security-based compensation plans, calculated as at the date of the grant, unless the Company has obtained requisite Disinterested Shareholder Approval to the grant.
4. Any employee, director, or consultant of the Company or any of its subsidiaries is eligible to be selected to receive an Award under the Amended Omnibus Plan. Eligibility for the grant of Awards and actual participation in the Amended Omnibus Plan is determined by the Board in its discretion.
5. The Board may suspend or terminate the Amended Omnibus Plan in certain circumstances or amend or revise the terms of the Amended Omnibus Plan or any granted Award without the consent of the participants.

6. Shareholder approval or Disinterested Shareholder Approval (as defined in the Amended Omnibus Plan) is required to make certain amendments, including, among others, the addition of additional categories of eligible participants under the Amended Omnibus Plan.

Please see “*Executive Compensation – Option Plan and Omnibus Plan*” for a summary of the Amended Omnibus Plan. In addition, the full text of the Amended Omnibus Plan is attached to this Information Circular as Schedule “D” and will also be available for review at the Meeting.

At the Meeting, shareholders will be asked to vote on the following ordinary resolution:

“BE IT RESOLVED THAT:

1. The Company’s omnibus plan, as amended and more particularly described in the information circular of the Company dated February 13, 2023, is hereby ratified, confirmed and approved with such additional provisions and amendments as the directors of the Company may deem necessary or advisable, provided that such amendments or additional provisions are not inconsistent with the Policies of the TSX Venture Exchange; and
2. Any one or more of the directors or officers of the Company is authorized and directed, upon the Board resolving to give effect to this resolution, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to these resolutions.”

The Board has determined that the continuation of the Omnibus Plan is in the best interests of the Company and its shareholders. **Accordingly, the Board unanimously recommends that the shareholders approve the continuation of the Omnibus Plan by voting FOR the above resolution at the Meeting.**

Proxies received in favour of management will be voted in favour of the continuation of the Omnibus Plan, unless the shareholder has specified in the Proxy that his or her Common Shares are to be voted against such resolution.

STATEMENT OF CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 Disclosure of Corporate Governance Practices the Company is required to and hereby discloses its corporate governance practices as follows.

Board of Directors

The Board is responsible for determining whether or not each director is an independent director. To do this, the Board analyzes all the relationships of the directors with the Company and its subsidiaries. The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

A director is independent if he or she has no direct or indirect material relationship with the Company that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. Applicable securities laws set out certain situations where a director is deemed to have a material relationship with the Company.

The Board is currently comprised of five directors, three of whom are considered independent under applicable securities laws, namely, Robert MacDonald, Harry Pokrandt and Scott Trebilcock. Mr. James Hynes is the officer of the Company and is therefore not independent. Mr. Sujir is not independent as he is a partner of a law firm that provides legal services to the Company. The remaining directors of the Company are "independent" in that they are free from any direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of his independent judgment.

Ethical Business Conduct

The Company has implemented a Code of Business Conduct and Ethics that addresses ethical conduct in the work environment and business practises and relationships and which explains the standard of behaviour that the Company expects of its employees in their activities and in dealing with others.

In addition, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction.

The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board does not have a nominating committee and these functions are currently performed by the Compensation and Governance Committee. The Compensation and Governance Committee is made up of Robert MacDonald, Harry Pokrandt and Jay Sujir. Messrs. MacDonald and Pokrandt are each independent. Messr. Sujir is not independent as he is a partner of a law firm that provides legal services to the Company.

The Compensation and Governance Committee is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Board has appointed the Compensation and Governance Committee to oversee compensation policies and practises and to conduct reviews with regard to directors' and officers' compensation once a year. To make its recommendation on directors' and officers' compensation, the Compensation and Governance Committee relies solely on the experience and knowledge of its members.

Other Committees

The Board has no committees other than the Audit Committee and the Compensation and Governance Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committee(s).

Stock Option Plans and Other Incentive Plans

Option Plan

The Company has in effect a “rolling” stock option plan (the “**Option Plan**”) which sets the number of stock options available for grant by the Company at an amount equal to up to a maximum of 10% of the Company’s issued and outstanding common shares from time to time, less any common shares reserved for issuance under other share compensation arrangements. Under the policies of the TSXV a rolling stock option plan must be re-approved on a yearly basis by shareholders. The Option Plan was re-approved at the October 9, 2020 annual general meeting of the Company’s shareholders.

References in this subsection to the “Option Plan” means the Amended Option Plan.

The purpose of the Option Plan is to provide effective incentives to directors, officers, senior management personnel and employees of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company’s shareholders. The Company has no equity compensation plans other than the Option Plan with the exception of the proposed Amended Omnibus Plan. Some of the key provisions of the Option Plan are as follows:

- the Option Plan reserves, for issue pursuant to stock options, a maximum number of Common Shares equal to 10% of the outstanding Common Shares from time to time;
- the number maximum of Common Shares reserved for issue to any one person in any 12 month period under the Option Plan and any other security compensation plans of the Company may not exceed 5% of the outstanding Common Shares at the time of grant without Disinterested Shareholder Approval (as defined in Exchange Policy 4.4 - Security Based Compensation);
- the number of Common Shares reserved for issue to all Investor Relations Service Providers on behalf of the Company in any 12 month period under the Option Plan, any other security compensation plans of the Company or other options granted for services by the Company may not exceed, in the aggregate, 2% of the outstanding Common Shares at the time of grant to any one Investor Relations Service Provider;
- Stock options vest at the discretion of the Board or a committee of the Board. However, stock options granted to an Investor Relations Service Provider shall vest such that:
 - no more than 25% of the stock options vest sooner than three months after the stock options were granted;
 - no more than another 25% of the stock options vest sooner than six months after the stock options were granted;
 - no more than another 25% of the stock options vest sooner than nine months after the stock options were granted; and
 - the remainder of the stock options vest no sooner than twelve months after the stock options were granted.
- the maximum number of Common Shares reserved for issue to insiders under the Option Plan, any other security compensation plans of the Company or other options granted for services by the Company shall be 10% of the outstanding Common Shares at the time of grant without Disinterested Shareholder Approval;
- the total maximum number of Common Shares which may be issued or reserved for issuance to any one individual under the Option Plan and any other security compensation plans of the

Company within any one year period shall not exceed 5% of the outstanding Common Shares, unless the Disinterested Shareholder Approval has been obtained;

- the exercise price per Common Share for a stock option may not be less than the Discounted Market Price (as calculated pursuant to the policies of the Exchange), subject to a minimum price of \$0.10;
- stock options may have a term not exceeding five years;
- if an optionee dies prior to the expiry of its stock option, his heirs, administrators or legal representatives may, by the earlier of (a) one year from the date of the optionee's death (or such lesser period as may be specified by the Board at the time of granting the stock option); and (b) the expiry date of the stock option, exercise any portion of such stock option;
- if an optionee ceases to be a director, officer, employee or consultant for any reason other than death, such optionee's stock options will terminate within a reasonable period;
- Stock options are non-assignable and non-transferable; and
- the Option Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of stock options in the event of a share consolidation or subdivision of the Common Shares, or if the Company is a party to a reorganization, merger, dissolution or Common Shares are exchanged or reclassified in any way.

Omnibus Plan

References in this subsection to the "Omnibus Plan" means the Amended Omnibus Plan.

Purpose

The purpose of the Omnibus Plan is to assist the Company and its affiliates in attracting and retaining individuals to serve as employees, directors, consultants or advisors who are expected to contribute to the Company's success and to achieve long-term objectives that will benefit shareholders of the Company.

Types of Awards

The Omnibus Plan provides for the grant of Restricted Share Units, Deferred Share Units, Performance Awards and Other Share-Based Awards. All Awards are granted by an agreement, certificate or other instrument or document evidencing the Award granted under the Omnibus Plan (an "**Award Agreement**").

A Restricted Share Unit is a right granted to a participant by the Company as compensation for employment or consulting services or services as a director, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied (which are typically time based) and the terms of which, all as set out in the applicable Award Agreement, may provide that, upon vesting, the award may be paid in cash and/or Common Shares.

A Deferred Share Unit is essentially a Restricted Share Unit with deferred delivery, being a right granted to a participant by the Committee as compensation for employment or consulting services or services as a director, to receive for no additional cash consideration, securities of the Company on a deferred basis (which is typically after the earliest of the retirement, termination of employment or death of the participant), and the terms of which may provide that, upon vesting, the award may be paid in cash and/or Common Shares, all as set out in the applicable Award Agreement.

A Performance Award is any: (i) cash incentives payable to the participant upon the achievement of such performance goals as the Board shall establish, as set out in the applicable Award Agreement; (ii) unit valued by reference to a designated number of Common Shares, which value may be paid to the Participant upon achievement of such performance goals as the Board shall establish, as set out in the applicable

Award Agreement; or (iii) unit valued by reference to a designated amount of cash or property other than Common Shares, which value may be paid to the participant upon achievement of such performance goals during the performance period as the Board shall establish, as set out in the applicable Award Agreement.

Other Share-Based Awards are other Awards that are valued in whole or in part by reference to, or are otherwise based on, Common Shares or other property.

Award Terms

The Board Committee has full power and authority, subject to TSXV rules and the provisions of the Omnibus Plan and subject to such orders or resolutions not inconsistent with TSXV rules and the provisions of the Omnibus Plan, to, among other things, determine the participants who whom Awards may from time to time be granted, type and number of Awards granted and the terms and conditions of such Awards, including the exercise price and expiry dates thereof.

Plan Administration

The Omnibus Plan is being administered by the Board or a subcommittee thereof formed by the Board ("**Board Committee**").

Limitation on Grants

The Omnibus Plan provides the follow limitations on grants:

1. The maximum number of Common Shares issuable upon the exercise or redemption and settlement of all Awards granted under the Omnibus Plan shall not exceed 20,182,635.
2. The Company cannot grant Awards:
 - (a) to any one person in any 12 month period which could, when exercised, result in the issuance of Common Shares to such person exceeding 5% of the issued and outstanding Common Shares under the Omnibus Plan and the Company's other security-based compensation plans, calculated as at the date of the grant unless the Company has obtained Disinterested Shareholder Approval to the grant;
 - (b) to any one consultant in any 12 month period which could, when exercised, result in the issuance of Common Shares to such consultant exceeding 2% of the issued and outstanding Common Shares granted under the Plan and the Company's other security-based compensation plans, calculated as at the date of the grant;
 - (c) to Persons who are insiders which could, when exercised, result in the issuance of Common Shares to such Persons (as a group) exceeding 10% of the issued and outstanding Common Shares granted under the Omnibus Plan and the Company's other security-based compensation plans, at any point in time, unless the Company has obtained Disinterested Shareholder Approval to the grant; or
 - (d) in any 12 month period, to Persons who are insiders which could, when exercised, result in the issuance of Common Shares to such Persons (as a group) exceeding 10% of the issued and outstanding Common Shares granted under the Omnibus Plan and the Company's other security-based compensation plans, calculated as at the date of the grant, unless the Company has obtained requisite Disinterested Shareholder Approval to the grant.

Eligible Participants

Any employee, director, or consultant of the Company or any of its subsidiaries is eligible to be selected to receive an Award under the Omnibus Plan. Eligibility for the grant of Awards and actual participation in the Omnibus Plan is determined by the Board in its discretion.

Effect of Termination

Unless otherwise provided for in an Award Agreement or determined by the Board or a Board Committee on an individual basis, in the event the Participant ceases to be an eligible Participant under the Omnibus Plan:

1. for cause, any vested or unvested Award granted to such Participant shall terminate automatically and become void immediately;
2. as a result of his or her employment or service relationship with the Company or a subsidiary (as of the date hereof, there is no subsidiary of the Company) being terminated without cause (i) any unvested Award granted to such Participant shall terminate and become void immediately and (ii) any vested Award granted to such Participant may be exercised by such Participant or redeemed and settled by the Company. Unless otherwise determined by the Board Committee (to a maximum of one year next succeeding such cessation, and approval is obtained from the stock exchange on which the Common Shares trade where required, in its sole discretion), such Award shall only be exercisable or redeemable within 90 days after the termination date, after which the Award will expire;
3. as a result of his or her resignation from the Company or a subsidiary (as of the date hereof, there is no subsidiary of the Company), (i) each unvested Award granted to such Participant shall terminate and become void immediately upon resignation and (ii) each vested Award granted to such Participant will cease to be exercisable or redeemable 90 days following the termination date, after which the Award will expire;
4. by reason of retirement or permanent disability, (i) any unvested Award shall terminate and become void immediately, and (ii) any vested Award will cease to be exercisable or redeemable 90 days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or a subsidiary (as of the date hereof, there is no subsidiary of the Company) by reason of permanent disability, after which the Award will expire;
5. by reason of death, any vested Award granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for the Vested Awards as at the date of such Participant's death. Such Vested Awards shall only be exercisable or redeemable within twelve months after the Participant's death or prior to the expiration of the original term of the Award whichever occurs earlier; and/or
6. by reason of electing a voluntary leave of absence of more than twelve months, including maternity and paternity leaves, the Board may determine, at its sole discretion but subject to applicable laws, that such Participant's participation in the Omnibus Plan shall be terminated, provided that all vested Awards granted to the Participant shall remain outstanding and in effect until the applicable exercise or redemption date, or an earlier date determined by the Board at its sole discretion.

The date of termination of a Participant's employment or services will be determined by the Board, which determination will be final. Subject to the terms of the Omnibus Plan, and the approval of the TSXV and/or the Shareholders (as applicable), the Board Committee may:

- (a) allow unvested Awards to be treated as vested Awards upon a Participant ceasing to be an eligible Participant under the Omnibus Plan by reason of death or a Change of Control;

- (b) provide that Awards with respect to certain classes, types or groups of Participants will have different forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
- (c) provide for the continuation of any Award for a period not exceeding 12 months, upon such terms and condition as determined by the Board Committee, in the event that a Participant ceases to be an eligible Participant under the Omnibus Plan; or
- (d) set out other terms for the exercise or termination of Awards in the event that a Participant ceases to be an eligible Participant under the Omnibus Plan.

Change of Control

In the event of a Change of Control (as defined in the Omnibus Plan), unless otherwise provided in an Award Agreement or any other written agreement between the Company and the participant, the Board will take one or more of the following actions with respect to Awards, contingent upon the closing or completion of the Change of Control:

- (a) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Award or to substitute a similar award (including, but not limited to, an award to acquire the same consideration paid to the shareholders of the Company pursuant to the Change of Control);
- (b) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Common Shares issued pursuant to the Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);
- (c) accelerate the vesting, in whole or in part, of the Award (and, if applicable, the time at which the Award may be exercised) to a date prior to the effective time of such Change of Control as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective date of the Change of Control), with such Award terminating if not exercised (if applicable) at or prior to the effective time of the Change of Control in accordance with the exercise procedures determined by the Board (in all cases with such acceleration of vesting and exercisability still contingent upon the closing or completion of the Change of Control as provided above, and with any such acceleration of vesting and/or exercise to be unwound if the Change of Control does not actually occur);
- (d) arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company with respect to the Award;
- (e) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Change of Control, in exchange for no consideration or such consideration, if any, as the Board, in its sole discretion, may consider appropriate; or
- (f) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Change of Control, in exchange for a payment, in such form as may be determined by the Board, equal to the excess, if any, of (a) the per share amount (or value of property per share) payable to holders of common shares in connection with the Change of Control, over (b) the per share exercise price under the applicable Award, multiplied by the number of Shares subject to the Award. For clarity, this payment may be \$0 if the amount per share (or value of property per share) payable to the holders of the Common Shares is equal to or less than the per share exercise price of the Award. In addition, any escrow, holdback, earnout or similar provisions in the definitive agreement for the Change of Control may apply to such payment to the holder of the Award to the same extent and in the same manner as such provisions apply to the holders of Common Shares.

Assignment

Except as specifically provided in an Award Agreement approved by the Board, each Award granted under the Omnibus Plan is personal to the Participant and shall not be assignable or transferable by the participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased participant.

Notwithstanding the foregoing, to the extent and under such terms and conditions as determined by the Board, a participant may assign or transfer an Award without consideration (each transferee thereof, a "**Permitted Assignee**") (i) to a trust which the Participant is the sole beneficiary of; (ii) to a holding entity (as such term is defined in National Instrument 45-106 Prospectus Exemptions) of such Participant of which the Participant is the sole shareholder; or (iii) to an RRSP, RRIF or TFSA of such Participant; provided that such Permitted Assignee shall be bound by and subject to all of the terms and conditions of the Omnibus Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations; and provided further that such Participant shall remain bound by the terms and conditions of the Omnibus Plan. The Company shall cooperate with any Permitted Assignee and the Company's transfer agent in effectuating any such permitted transfer. No Award may be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.

Amendment

The Board may suspend or terminate the Omnibus Plan at any time, or from time to time amend or revise the terms of the Omnibus Plan or any granted Award without the consent of the participants provided that such suspension, termination, amendment or revision shall:

- (a) not adversely alter or impair the rights of any participant, without the consent of such participant except as permitted by the provisions of the Omnibus Plan;
- (b) be in compliance with applicable law and the rules and policies of the TSXV; and
- (c) be subject to shareholder approval including Disinterested Shareholder Approval if applicable, where required by law or the rules and policies of the TSXV provided that the Board Committee may, from time to time, and without approval of the shareholders of the Company make amendments to the Omnibus Plan to fix typographical errors and to clarify the existing provisions of the Omnibus Plan that do not have the effect of altering the scope, nature and intent of such provisions.

Shareholder approval or Disinterested Shareholder Approval (as defined in the Omnibus Plan) is required to make the following amendments:

- (a) the addition of additional categories of eligible Participants under the Omnibus Plan;
- (b) any increase to the maximum number of Common Shares issuable under the Omnibus Plan except in the event of certain adjustments arising as a result of any merger, plan of arrangement, amalgamation, reorganization, consolidation, recapitalization, dividend or distribution, stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting the Common Shares;
- (c) any amendment which extends the expiry date of any Award, with Disinterested Shareholder Approval being required if the Participant is an insider at the time of the proposed extension;
- (d) any amendment which results in the reduction in the exercise price of an Award, with Disinterested Shareholder Approval being required if the Participant is an insider at the time of the proposed amendment;

- (e) any amendment resulting in a benefit to an insider, which shall require Disinterested Shareholder Approval;
- (f) any amendment to the amendment provisions of the Omnibus Plan; or
- (g) any other amendment required to be approved by shareholders, or requiring Disinterested Shareholder Approval, under applicable law or the rules and policies of the TSXV.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Company's compensation and governance committee (the "**Compensation and Governance Committee**"), through discussions without any formal objectives, criteria or analysis, is responsible for determining all forms of compensation to be granted to the directors of the Company to be recommended to the Board of Directors for approval. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance and the availability of financial and other resources of the Company.

Non-executive directors do not currently receive directors' fees or fees for participation on committees of the Board of Directors. Long-term incentives in the form of stock options are granted to non-executive directors from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope. The Compensation and Governance Committee will annually review the Board of Directors' performance, and will report and make recommendations accordingly.

Compensation of NEOs

The Compensation and Governance Committee is responsible for determining all forms of compensation to be paid to the CEO, and for reviewing the CEO's recommendations regarding compensation of the other NEOs of the Company, to ensure such arrangements reflect the performance of each NEO in light of the corporate goals and objectives relevant to such compensation.

The key objectives of the Company's executive compensation program are: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. In order to achieve these objectives, the compensation paid to NEOs consists of base salary and/or long-term incentives in the form of stock options, as set out below.

The Company's executive compensation program is designed to retain, encourage, compensate and reward executives on the basis of individual and corporate performance, both in the short- and the long-term. Base salaries will be based on a number of factors enabling the Company to compete for and retain executives critical to the Company's long-term success. Share ownership opportunities through stock options will be provided to align the interests of executive officers with the longer term interests of shareholders.

In determining specific compensation amounts for executive officers, the Compensation and Governance Committee considers factors such as experience, individual performance, length of service, contribution

towards the achievement of corporate objectives and positive exploration and development results, stock price and compensation compared to other employment opportunities for executive officers.

Compensation paid to NEOs during the fiscal year ended December 31, 2022 is noted in the table above, which includes 659,460 RSUs. The Company has contractual arrangements with its Executive Chairman and CEO, CFO all of which is described under “*Employment, Consulting and Management Agreements*”. The amount of bonus and RSUs awarded was informally based on Company performance, including factors such as: safety and environmental incidents, issuance of technical reports, share price and valuation metrics, and exploration work completed, while taking into account pay structures for similar companies in terms of size, asset and stage of development. The cash portion of the bonus will be deferred until completion of a subsequent financing.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Company’s compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company’s compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

Pension disclosure

The Company does not have a pension plan, retirement plan, deferred compensation plan or similar plan.

AUDIT COMMITTEE CHARTER**

A. OVERVIEW AND PURPOSE

The Audit Committee of KORE Mining Ltd. (“Kore”) has been formed to enable the Board of Directors of Kore to perform its obligations with respect to compliance with applicable securities laws and the rules of the Exchange.

The Audit Committee is responsible to the Board of Directors of Kore. The primary objective of the Audit Committee is to assist the Board of Directors in fulfilling its responsibilities with respect to:

- (a) disclosure of financial and related information;
- (b) the relationship with and expectations of the external auditors of Kore, including the establishment of the independence of the external auditors;
- (c) the oversight of Kore’s internal controls; and
- (d) any other matters that the Audit Committee feels are important to its mandate or that the Board of Directors of Kore chooses to delegate to it.

The Audit Committee will approve, monitor, evaluate, advise or make recommendations in accordance with this Charter, with respect to the matters set out above.

B. ORGANIZATION

1. Size and Membership Criteria

The Audit Committee will consist of three or more Directors of Kore. A majority of the members of the Audit Committee must be independent of management and free from any interest, business or other relationship, other than interests and relationships arising from holding Shares of Kore or other securities which are exchangeable into Shares of Kore, which could, or could reasonably be perceived to, materially interfere with the director’s ability to act in the best interests of Kore.

All members of the Audit Committee should be financially literate and be able to read and understand basic financial statements, or should strive to become financially literate within a reasonable period of time after being appointed as a member of the Audit Committee. At least one member of the Audit Committee must have accounting or related financial expertise and should be able to analyze and interpret a full set of financial statements, including notes, in accordance with generally accepted accounting principles.

2. Appointment and Vacancies

The members of the Audit Committee are appointed or reappointed by the Board of Directors following each annual meeting of the shareholders of Kore. Each member of the Audit Committee will continue to be a member of the Audit Committee until his or her successor is appointed unless he or she resigns or is removed by the Board of Directors of Kore or ceases to be a Director of Kore. Where a vacancy occurs at any time in the membership of the Audit Committee the Board of Directors of Kore may appoint a qualified individual to fill such vacancy and must appoint a qualified individual if the membership of the Audit Committee is less than three Directors as a result of any such vacancy.

C. MEETINGS

1. Frequency

The Audit Committee will meet at least four times per year on a quarterly basis, or more frequently as circumstances require. In addition, the Audit Committee may also meet at least once per year with management and the external auditors of Kore in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believes should be discussed privately.

2. Chair

The Board of Directors of Kore or, in the event of its failure to do so, the members of the Audit Committee, will appoint a Chair from amongst their number. If the Chair of the Audit Committee is not present at any meeting of the Audit Committee, the Chair of the meeting will be chosen by the Audit Committee from among the members present. The Audit Committee will also appoint a secretary who need not be a Director of Kore.

3. Time and Place of Meetings

The time and place of meetings of the Audit Committee and the procedure at such meeting will be determined from time to time by the members of the Audit Committee, provided that:

- (a) a quorum for meetings of the Audit Committee will be two members present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and hear each other, and
- (b) notice of the time and place of every meeting will be given in writing or facsimile to each member of the Audit Committee, the internal auditors, the external auditors and the corporate secretary of Kore at least 24 hours prior to the time fixed for such meeting.

Any person entitled to notice of a meeting of the Audit Committee may waive such notice (an attendance at a meeting is a waiver of notice of the meeting, except where a member attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called). A meeting of the Audit Committee may be called by the corporate secretary of Kore on the direction of the President of Kore, by any member of the Audit Committee or the external auditors. Notwithstanding the foregoing, the Audit Committee will at all times have the right to determine who will and will not be present at any part of the meeting of the Audit Committee.

4. Agenda

The Chairman will ensure that the agenda for each upcoming meeting of the Audit Committee is circulated to each member of the Audit Committee as well as each of the external auditors and corporate secretary of Kore in advance of the meeting of the Audit Committee not later than three business days prior to each meeting.

5. Resources

The Audit Committee will have the authority to retain independent legal, accounting and other consultants to advise the Audit Committee, and to set the pay and compensation for such consultants. The Audit Committee may request any officer or employee of Kore or its subsidiaries or the legal counsel to Kore or the external auditors of Kore to attend any meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

D. DUTIES AND RESPONSIBILITIES

The Board of Directors of Kore has delegated the following duties and responsibilities to the Audit Committee and the Audit Committee shall have the sole authority and responsibility to carry out these duties and responsibilities.

1. Review and Reporting Procedures

The Audit Committee will make regular reports to the Board of Directors of Kore. The Audit Committee will review and re-assess the Audit Committee Charter on an annual basis and make recommendations for changes to this Charter. The Audit Committee will also periodically perform a self- assessment of its performance against its mandate.

2. Financial Reporting

The Audit Committee will review and discuss with management, the internal auditors (as applicable) and the external auditors of Kore the following financial statements and related information prior to filing or public dissemination:

- (a) annual audited financial statements of Kore, including notes;
- (b) interim financial statements of Kore;
- (c) management discussion and analysis ("MD&A") relating to each of the annual audited financial statements and the interim financial statements of Kore;

- (e) the annual report of Kore;
- (f) all financial-related disclosure to be included in management proxy circulars of Kore in connection with meetings of shareholders; and
- (g) all financial-related disclosure to be included in or incorporated by reference into any prospectus or other offering documents that may be prepared by Kore.

As part of this review process, the Audit Committee will meet with the external auditors without management present to receive input from the external auditors with respect to the acceptability and quality of the relevant financial information.

The Audit Committee will also review the following items in relation to the above listed documents:

- (a) significant accounting and reporting issues or plans to change accounting practices or policies and the financial impact thereof;
- (b) any significant or unusual transactions;
- (c) significant management estimates and judgments; and
- (d) monthly financial statements.

Following the review by the Audit Committee of the documents set out above, the Audit Committee will recommend to the Board of Directors that such documents be approved by the Board of Directors and filed with all applicable securities regulatory bodies and/or be sent to shareholders.

3. External Auditors

The Audit Committee is directly responsible for the appointment, compensation and oversight of the work of the external auditors of Kore (including resolution of disagreements between management and the external auditors regarding financial reporting) for the purpose of preparing or issuing its audit report or performing other audit, review or attest services. As a result, the Audit Committee will review and recommend the appointment of the external auditors and the remuneration of the external auditors.

The Audit Committee will review on an annual basis the performance of the external auditors of Kore. The Audit Committee will discuss with the external auditors any disclosed relationships or non-audit services that the external auditors propose to provide to Kore or any of its subsidiaries that may impact the objectivity and independence of the external auditors in order to satisfy itself of the independence of the external auditors.

In addition, the Audit Committee will review on an annual basis the scope and plan of the work to be done by the external auditors of Kore for the coming financial year.

Prior to the release of the annual financial statements of Kore, the Audit Committee will discuss certain matters required to be communicated to the Audit Committee by the external auditors in accordance with the standards established by the Canadian Institute of Chartered Accountants. The Committee will also consider the external auditors' judgment about the quality and appropriateness of Kore's accounting principles as applied in the Kore's financial reporting.

4. Legal and Compliance

The Audit Committee is responsible for reviewing with management of Kore the following:

- (a) any off-balance sheet transactions, arrangements, obligations (including contingent obligations) and other relationships of Kore and its subsidiaries which would have a material current or future effect on the financial condition of Kore;
- (b) major risk exposures facing Kore and the steps that management has taken to monitor, control and manage such exposures, including Kore's risk assessment and risk management guidelines and policies;
- (c) any litigation, claim or other contingency, including tax assessments that could have a material effect upon the financial position or operating results of Kore and its subsidiaries and the manner in which these matters have been disclosed in the financial statements; and
- (d) the quarterly and annual certificates of the CEO and the CFO of Kore certifying Kore's quarterly and annual financial filings in compliance with Multilateral Instrument 52-109 of the Canadian Securities Administrators.

5. Internal Controls

The Audit Committee is responsible for reviewing the adequacy of Kore's internal control structures and procedures designed to ensure compliance with applicable laws and regulations. The Audit Committee is responsible for establishing procedures for the following:

- (a) the receipt, retention and treatment of complaints received by Kore regarding accounting, internal accounting controls, or auditing matters; and
- (b) the confidential, anonymous submission by employees or consultants of Kore of concerns regarding questionable accounting or auditing matters.

The Audit Committee will review and approve Kore's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors. The Audit Committee will also review the letters from the external auditors of Kore outlining the material weaknesses in internal controls noted from their audit, including relevant drafts of such letters.

1. PURPOSE

The purpose of this stock option plan (the "Plan") is to authorize the grant to Eligible Persons (as defined herein) of KORE Mining Ltd. (the "Corporation") of options ("Options") to purchase common shares ("Shares") of the Corporation's capital and thus benefit the Corporation by enabling it to attract, retain and motivate Eligible Persons by providing them with the opportunity, through share options, to acquire an increased proprietary interest in the Corporation.

2. ADMINISTRATION

The Plan shall be administered by the board of directors of the Corporation (the "Board") or a committee established by the Board for that purpose (the "Committee"). Subject to approval of the granting of options by the Board or Committee, as applicable, the Corporation shall grant options under the Plan.

The total maximum number of Shares which may be issued or reserved for issuance to any one individual under the Plan and any other security compensation plans of the Corporation within any one year period shall not exceed 5% of the outstanding Shares, unless the approval of disinterested shareholders of the Corporation has been obtained. The Corporation shall not, upon the exercise of any Option, be required to issue or deliver any Shares prior to: (a) the admission of such Shares to listing on any stock exchange on which the Shares may then be listed, and (b) the completion of such registration or other qualification of such Shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable. If any Shares cannot be issued to any holder of Options (each, an "Optionee") for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any Option exercise price paid to the Corporation shall be returned to the Optionee.

4. LIMITS WITH RESPECT TO INSIDERS

- (a) The maximum number of Shares which may be reserved for issuance to insiders under the Plan, any other security compensation plans of the Corporation, and other options for services granted by the Corporation, shall be 10% of the shares issued and outstanding at the time of any stock option grant (on a non-diluted basis).
- (b) The maximum number of Options which may be granted to insiders under the Plan, together with any other security compensation plans of the Corporation, within any one year period shall be 10% of the outstanding Shares at the time of any Option grant.

5. ELIGIBILITY

- (iii) an individual who works for the Corporation or its subsidiary on a continuing and regular basis for a minimum amount of time per week (the number of hours should be disclosed in the submission) providing services normally provided by an employee and who is subject to the same control and direction by the Corporation or its subsidiary over the details and methods of work as an employee of the Corporation or of the subsidiary, as the case may be, but for whom income tax deductions are not made at source

(in any case, an “Employee”);

- (c) an individual employed by a corporation, incorporated association or organization, body corporate, partnership, trust, association or other entity other than an individual (a “Company”), which individual is providing management services to the Corporation through such Company, or an individual (together with a Company, a “Person”) providing management services directly to the Corporation, which management services are required for the ongoing successful operation of the business enterprise of the Corporation, and does not include Investor Relations Services Providers (as hereafter defined) (a “Management Company Employee”);
- (d) an individual (other than an Investor Relations Services Provider, director, officer, Employee or Management Company Employee of the Corporation or of any of its subsidiaries) or Company that:

For purposes of the foregoing, a Company is an “Affiliate” of another Company if: (a) one of them is the subsidiary of the other; or (b) each of them is controlled by the same person.

For Options to be granted to Eligible Persons (other than to senior officers or directors of the Corporation), the Corporation and the Optionee are responsible for ensuring and confirming that the Optionee is a bona fide Employee, Consultant, Management Company Employee or Investor Relations Service Provider, as the case may be. The terms “insider”, “controlled” and “subsidiary” shall have the meanings ascribed thereto in the Securities Act (British Columbia) from time to time. Subject to the foregoing, the Board or Committee, as applicable, shall have full and final authority to determine the persons who are to be granted Options under the Plan and the number of Shares subject to each Option.

6. LIMITS WITH RESPECT TO CONSULTANTS AND INVESTOR RELATIONS PERSONS

- (a) The maximum number of Options which may be granted to any one Consultant under the Plan, any other security compensation plans of the Corporation or other options for services granted by the Corporation, within any 12 month period, must not exceed 2% of the Shares issued and outstanding at the time of the grant (on a non-diluted basis), without the prior consent of the TSX-V.
- (b) The maximum number of Options which may be granted to all Investor Relations Service Providers under the Plan, any other security compensation plans of the Corporation or other options granted for services by the Corporation, within any 12 month period must not exceed, in the aggregate, 2% of the Shares issued and outstanding at the time of the grant to any one Investor Relations Service Provider (on a non-diluted basis), without the prior consent of the TSX-V.

7. PRICE

The purchase price (the “Price”) for the Shares under each Option shall be determined by the Board or Committee, as applicable, on the basis of the market price of the Shares, where “market price” shall mean the prior trading day closing price of the Shares on any stock exchange on which the Shares are listed or the last trading price on the prior trading day on any dealing network where the Shares trade, and where there is no such closing price or trade on the prior trading day, “market price” shall mean the average of the daily high and low board lot trading prices of the Shares on any stock exchange on which the Shares are listed or dealing network on which the Shares trade for the five (5) immediately preceding trading days. In the event the Shares are listed on the TSX-V, the price may be the market price less any discounts from the market price allowed by the TSX-V, subject to a minimum price of \$0.10. In the event the Shares are not listed on any exchange and do not trade on any dealing network, the market price will be determined by the Board. The approval of disinterested shareholders will be required for any reduction in the Price or for the extension of the term of a previously granted Option to an insider of the Corporation.

8. PERIOD OF OPTION AND RIGHTS TO EXERCISE

Subject to the provisions of this paragraph 8 and paragraphs 9, 10 and 17 below, options will be exercisable in whole or in part, and from time to time, during the currency thereof. Options shall not be granted for a term exceeding five years. The Shares to be purchased upon each exercise of any Option (the “Optioned Shares”) shall be paid for in full at the time of such exercise. Except as provided in paragraphs 9, 10 and 17 below, no Option which is held by a service provider may be exercised unless the Optionee is then a service provider for the Corporation.

9. CESSATION OF PROVISION OF SERVICES

Subject to paragraph 10 below, if any Optionee who is a service provider shall cease to be an Eligible Person of the Corporation for any reason (whether or not for cause), the Optionee may, but only within the period of ninety days (unless such period is extended by the Board or the Committee, as applicable, to a maximum of one year next succeeding such cessation, and approval is obtained from the stock exchange on which the Shares trade where required), or thirty days if the Eligible Person is an Investor Relations

Service Provider (unless such period is extended by the Board or the Committee, as applicable, to a maximum of one year next succeeding such cessation, and approval is obtained from the stock exchange on which the Shares trade where required), next succeeding such cessation and in no event after the expiry date of the Optionee's Options, exercise the Optionee's Options unless such period is extended as provided in paragraph 10 below.

10. DEATH OF OPTIONEE

In the event of the death of an Optionee during the currency of the Optionee's option, the Options theretofore granted to the Optionee shall be exercisable within, but only within, the period of one year next succeeding the Optionee's death. Before expiry of any Options under this paragraph 10, the Board or Committee, as applicable, shall notify the Optionee's representative in writing of such expiry..

11. NON-ASSIGNABILITY AND NON-TRANSFERABILITY OF OPTION

Any Option granted under the Plan shall be non-assignable and non-transferable by an Optionee otherwise than by will or by the laws of descent and distribution, and Options shall be exercisable, during an Optionee's lifetime, only by the Optionee.

12. ADJUSTMENTS IN SHARES SUBJECT TO PLAN

The aggregate number and kind of shares available under the Plan shall be appropriately adjusted in the event of an amalgamation, arrangement, reorganization, spin-off, reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Corporation. The Options granted under the Plan may contain such provisions as the Board or Committee, as applicable, may determine with respect to adjustments to be made in the number and kind of shares covered by such Options and in the Price in the event of any such change. Any such adjustment (except if such adjustment relates to a consolidation or share-split) shall be subject to the prior acceptance of the Exchange. If there is a reduction in the exercise price of the Options of an insider of the Corporation, the Corporation will be required to obtain approval from disinterested shareholders.

13. AMENDMENT AND TERMINATION OF THE PLAN

The Board or Committee, as applicable, may at any time amend or terminate the Plan. However, any such amendment, or amendment to any grants or issuances of Security Based Compensation, as such term is defined in the policies of the TSX-V, shall be subject to TSX-V and shareholder approval and any other regulatory approval, if required.

14. EFFECTIVE DATE OF THE PLAN

The Plan becomes effective on the date of its approval by the Board.

15. EVIDENCE OF OPTIONS

Each Option granted under the Plan shall be embodied in a written Option agreement between the Corporation and the applicable Optionee which shall give effect to the provisions of the Plan.

16. EXERCISE OF OPTION

- (a) Subject to the provisions of the Plan and the particular Option, an Option may be exercised from time to time by an Optionee delivering to the Corporation, at its registered office, a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in cash or certified cheque for the full amount of the purchase price of the Shares then being purchased. Upon receipt of a

certificate of an authorized officer directing the issue of Shares purchased under the Plan, the transfer agent is authorized and directed to issue and countersign share certificates for the Optioned Shares in the name of such Optionee or the Optionee's legal personal representative or as may be directed in writing by the Optionee's legal personal representative.

- (b) Subject to the provisions of this Plan (including, without limitation, section 22) and Board approval, once an Option has vested and become exercisable, an Optionee may elect to exercise such Option by either:
- (i) excluding Options granted to Investor Relations Service Providers, a "net exercise" procedure in which the Corporation issues to the Optionee, Shares equal to the number determined by dividing (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the exercise price of the subject Options by (ii) the VWAP of the underlying Shares; or
 - (ii) a broker assisted "cashless exercise" in which the Corporation delivers a copy of irrevocable instructions to a broker engaged for such purposes by the Corporation to sell the Shares otherwise deliverable upon the exercise of the Options and to deliver promptly to the Corporation an amount equal to the aggregate exercise price for the number of Shares with respect to which the Option is being exercised, together with the amount necessary to satisfy any applicable tax withholding or remittance obligations under applicable Laws, against delivery of the Shares to settle the applicable trade.

For the purpose of this Section, "VWAP" means the volume weighted average trading price of the Shares listed on the TSX-V or any other stock exchange having jurisdiction over the Corporation calculated by dividing the total value by the total volume of such securities traded for the five trading days immediately preceding the exercise of the subject Option.

An Option may be exercised pursuant to this section 16 from time to time by delivery to the Corporation, at its head office or such other place as may be specified by the Corporation of (i) written notice of exercise specifying that the Optionee has elected to effect such a cashless exercise of such Option, the method of cashless exercise, and the number of Options to be exercised and (ii) payment of the amount necessary to satisfy any applicable tax withholding or remittance obligations under applicable Laws, as verified by the Corporation to its satisfaction (or by entering into some other arrangement acceptable to the Corporation in its discretion). The Optionee shall comply with such tax withholding or remittance obligations contemplated in Section 22 hereof and with such other procedures and policies as the Corporation may prescribe or determine to be necessary or advisable from time to time, including the prior written consent of the Board in connection with such exercise.

17. VESTING RESTRICTIONS

Options issued under the Plan may vest at the discretion of the Board or Committee, as applicable, provided however, that any Options issued to Investor Relations Service Providers shall vest such that:

- (a) no more than 25% of the Options vest sooner than three months after the Options were granted;
- (b) no more than another 25% of the Options vest sooner than six months after the Options were granted;

- (c) no more than another 25% of the Options vest sooner than nine months after the Options were granted; and
- (d) the remainder of the Options vest no sooner than twelve months after the Options were granted.

18. LEGENDS

Certificates for Shares issued upon exercise of Options granted pursuant to the Plan shall bear such legend as may be required by applicable law, the TSX-V or any other stock exchange on which the Shares are listed for trading.

18. NOTICE OF SALE OF ALL OR SUBSTANTIALLY ALL SHARES OR ASSETS

If at any time when an Option granted under this Plan remains unexercised with respect to any Optioned Shares:

- (a) the Corporation seeks approval from its shareholders for a transaction which, if completed, would constitute an Acceleration Event; or
- (b) a third party makes a bona fide formal offer or proposal to the Corporation or its shareholders which, if accepted, would constitute an Acceleration Event,

the Corporation shall notify the Optionees in writing of such transaction, offer or proposal as soon as practicable and, provided that the Board or Committee, as applicable, has determined that no adjustment shall be made pursuant to section 12 hereof, (i) the Board or Committee, as applicable, may permit any Optionee to exercise their Options granted under this Plan, as to all or any of the Optioned Shares in respect of which such Option has not previously been exercised (regardless of any vesting restrictions), during the period specified in the notice (but in no event later than the expiry date of the Option), so that the Optionee may participate in such transaction, offer or proposal; and (ii) the Board or Committee, as applicable, may require the acceleration of the time for the exercise of the said Option and of the time for the fulfilment of any conditions or restrictions on such exercise. For these purposes, an "Acceleration Event" means:

- (a) the acquisition by any "offeror" (as defined National Instrument 62-104 - Take Over Bids and Issuer Bids of the Canadian Securities Administrators) of beneficial ownership of more than 50% of the outstanding voting securities of the Corporation, by means of a take-over bid or otherwise;
- (b) any consolidation or merger of the Corporation in which the Corporation is not the continuing or surviving corporation or pursuant to which shares of the Corporation would be converted into cash, securities or other property, other than a merger of the Corporation in which shareholders immediately prior to the merger have the same proportionate ownership of stock of the surviving corporation immediately after the merger;
- (c) any sale, lease exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Corporation; or
- (d) the approval by the shareholders of the Corporation of any plan of liquidation or dissolution of the Corporation.

19. RIGHTS PRIOR TO EXERCISE

An Optionee shall have no rights whatsoever as a shareholder in respect of any of the Optioned Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of

Optioned Shares in respect of which the Optionee shall have exercised the option to purchase hereunder and which the Optionee shall have actually taken up and paid for.

20. EXPIRY OF OPTION

Except as provided in Article 9, as provided by the Committee or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. Performance Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee, on a deferred basis subject to, in the case of a U.S. Participant, the requirements of Section 409A of the U.S. Tax Code.

9. CEASING TO BE AN EMPLOYEE, DIRECTOR OR CONSULTANT

9.1 General. Subject to Section 10 and the terms of any applicable Award Agreement, or as otherwise determined by the Committee, upon a Participant ceasing to be an Eligible Person:

- (a) for Cause, any vested or unvested Award granted to such Participant shall terminate automatically and become void immediately;
- (b) as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without Cause (i) any unvested Award granted to such Participant shall terminate and become void immediately and (ii) any vested Award granted to such Participant may be exercised by such Participant or redeemed and settled by the Company. Unless otherwise determined by the Committee (to a maximum of one year next succeeding such cessation, and approval is obtained from the stock exchange on which the Shares trade where required, in its sole discretion), such Award shall only be exercisable or redeemable within 90 days after the Termination Date, after which the Award will expire;

- (c) as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Award granted to such Participant shall terminate and become void immediately upon resignation and (ii) each vested Award granted to such Participant will cease to be exercisable or redeemable 90 days following the Termination Date, after which the Award will expire;
- (d) by reason of retirement or permanent disability, (i) any unvested Award shall terminate and become void immediately, and (ii) any vested Award will cease to be exercisable or redeemable 90 days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or a Subsidiary by reason of permanent disability, after which the Award will expire;
- (e) by reason of death, any vested Award granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Award (the "**Vested Awards**") on the date of such Participant's death. Such Vested Awards shall only be exercisable or redeemable within twelve months after the Participant's death or prior to the expiration of the original term of the Award whichever occurs earlier;
- (f) by reason of electing a voluntary leave of absence of more than twelve months, including maternity and paternity leaves, the Board may determine, at its sole discretion but subject to applicable laws, that such Participant's participation in the Plan shall be terminated, provided that all vested Awards granted to the Participant shall remain outstanding and in effect until the applicable exercise or redemption date, or an earlier date determined by the Board at its sole discretion.

9.2 Discretion of the Committee. Subject to the terms of this Plan, and the approval of the Exchange and/or the shareholders of the Company (as applicable), the Committee may:

- (a) allow unvested Awards to be treated as vested Awards upon a Participant ceasing to be an Eligible Person by reason of death or a Change of Control;
- (b) provide that Awards with respect to certain classes, types or groups of Participants will have different forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
- (c) provide for the continuation of any Award for a period not exceeding 12 months, upon such terms and condition as determined by the Committee, in the event that a Participant ceases to be an Eligible Person; or
- (d) set out other terms for the exercise or termination of Awards in the event that a Participant ceases to be an Eligible Person.

10. CHANGE IN CONTROL PROVISIONS

10.1 Impact of Change of Control. The following provisions will apply to Awards in the event of a Change of Control unless otherwise provided in an Award Agreement or any other written agreement between the Company or any Subsidiary and the Participant or unless otherwise expressly provided by the Board at the time of grant of an Award. In the event of a Change of Control, then, notwithstanding any other provision of the Plan, the Board will take one or more of the following actions with respect to Awards, contingent upon the closing or completion of the Change of Control:

- (a) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Award or to substitute a similar award (including, but not limited to, an award to acquire the same consideration paid to the shareholders of the Company pursuant to the Change of Control);

- (b) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Shares issued pursuant to the Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);
- (c) accelerate the vesting, subject to Exchange approval, in whole or in part, of the Award (and, if applicable, the time at which the Award may be exercised) to a date prior to the effective time of such Change of Control as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective date of the Change of Control), with such Award terminating if not exercised (if applicable) at or prior to the effective time of the Change of Control in accordance with the exercise procedures determined by the Board (in all cases with such acceleration of vesting and exercisability still contingent upon the closing or completion of the Change of Control as provided above, and with any such acceleration of vesting and/or exercise to be unwound if the Change of Control does not actually occur);
- (d) arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company with respect to the Award;
- (e) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Change of Control, in exchange for no consideration or such consideration, if any, as the Board, in its sole discretion, may consider appropriate; or
- (f) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Change of Control, in exchange for a payment, in such form as may be determined by the Board, equal to the excess, if any, of (i), the per share amount (or value of property per share) payable to holders of common shares in connection with the Change of Control, over (ii) the per share exercise price under the applicable Award, multiplied by the number of Shares subject to the Award. For clarity, this payment may be \$0 if the amount per share (or value of property per share) payable to the holders of the Shares is equal to or less than the per share exercise price of the Award. In addition, any escrow, holdback, earnout or similar provisions in the definitive agreement for the Change of Control may apply to such payment to the holder of the Award to the same extent and in the same manner as such provisions apply to the holders of Shares.
- (g) The Board need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants.

10.2 Adjustments in the Event of a Change of Control. Any adjustment, other than in connection with a consolidation or stock split, to Awards granted or issued under this to be made as a result of or in connection with a Change of Control shall be subject to the prior acceptance of the Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization transaction.

10.3 Appointment of Shareholder Representative. As a condition to the receipt of an Award under this Plan, a Participant will be deemed to have agreed that the Award will be subject to the terms of any agreement governing a Change of Control involving the Company, including, without limitation, a provision for the appointment of a shareholder representative that is authorized to act on the Participant's behalf with respect to any escrow or other contingent consideration.

10.4 Change of Control.

- (a) Unless otherwise provided in an Award Agreement, "**Change of Control**" means the occurrence of any one of the following events (provided, however, that any definition of Change of Control in an Award Agreement may not provide that a Change of Control will occur prior to consummation or effectiveness of a change in control of the Company and may not provide that a Change of Control will occur upon the announcement,

commencement, shareholder approval or other potential occurrence of any event or transaction that, if completed, would result in a change in control of the Company):

- (i) an acquisition by a Person, or one or more Persons acting jointly or in concert, of the beneficial ownership of securities of the Company resulting in such Person or Persons holding securities representing more than 50% of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation, plan of arrangement, amalgamation or similar transaction. Notwithstanding the foregoing, a Change of Control shall not be deemed to occur solely because the level of ownership held by a person, entity or group exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change of Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, a person, entity or group becomes the owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities owned by such person, entity or group over the designated percentage threshold, then a Change of Control shall be deemed to occur;
- (ii) there is consummated a merger, consolidation, plan of arrangement, amalgamation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation, plan of arrangement, amalgamation or similar transaction, the shareholders of the Company immediately prior thereto do not own, directly or indirectly, outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving entity in such merger, consolidation, plan of arrangement, amalgamation or similar transaction or more than 50% of the combined outstanding voting power of the parent of the surviving entity in such merger, consolidation, plan of arrangement, amalgamation or similar transaction;
- (iii) there is consummated a sale or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an entity, more than 50% of the combined voting power of the voting securities of which are owned by shareholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale, lease, license or other disposition; or
- (iv) individuals who, on the effective date of the Plan, are members of the Board (the "**Incumbent Board**") cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member will, for purposes of this Plan, be considered as a member of the Incumbent Board.

11. GENERALLY APPLICABLE PROVISIONS

11.1 Approval Required for Plan. Prior to its implementation by the Company, the Plan is subject to approval by the Exchange and the shareholders of the Company.

11.2 Amendment and Termination of the Plan.

- (a) Subject to approval by the Exchange, the Board may suspend or terminate the Plan at any time, or from time to time amend or revise the terms of the Plan or any granted Award

without the consent of the Participants provided that such suspension, termination, amendment or revision shall:

- (i) not adversely alter or impair the rights of any Participant, without the consent of such Participant except as permitted by the provisions of the Plan;
 - (ii) be in compliance with applicable law and Exchange Rules; and
 - (iii) be subject to shareholder approval including Disinterested Shareholder Approval if applicable, where required by law or the Exchange Rules provided that the Committee may, from time to time, and without approval of the shareholders of the Company make amendments to this Plan to fix typographical errors and to clarify the existing provisions of this Plan that do not have the effect of altering the scope, nature and intent of such provisions.
- (b) Notwithstanding Section 11.2(a), the Board shall be required to obtain shareholder approval or Disinterested Shareholder Approval, if required by the Exchange Rules, to make the following amendments:
- (i) the addition of additional categories of Eligible Persons;
 - (ii) any increase to the maximum number of Shares issuable under the Plan except in the event of an adjustment pursuant to Section 11.3;
 - (iii) any amendment which extends the expiry date of any Award, with Disinterested Shareholder Approval being required if the Participant is an insider at the time of the proposed extension;
 - (iv) any amendment which results in the reduction in the exercise price of an Award, with Disinterested Shareholder Approval being required if the Participant is an insider at the time of the proposed amendment;
 - (v) any amendment resulting in a benefit to an insider, which shall require Disinterested Shareholder Approval;
 - (vi) any amendment to the amendment provisions of the Plan; or
 - (vii) any other amendment required to be approved by shareholders, or requiring Disinterested Shareholder Approval, under applicable law or the Exchange Rules.

11.3 Adjustments. In the event of any merger, plan of arrangement, amalgamation, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting the Shares or the value thereof, subject to the prior acceptance of the Exchange (except in relation to a consolidation or stock split) such adjustments and other substitutions shall be made to the Plan and to Awards in a manner the Committee deems equitable or appropriate taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Plan and, in the aggregate or to any Participant, in the number, class, kind and exercise price of securities subject to outstanding Awards granted under the Plan (including, if the Committee deems appropriate, the substitution of similar options to purchase the shares of, or other awards denominated in the shares of, another company); provided, however, that the number of Shares subject to any Award shall always be a whole number.

11.4 Transferability of Awards. Except as specifically provided in an Award Agreement approved by the Committee, each Award granted under the Omnibus Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. Notwithstanding the foregoing, to

the extent and under such terms and conditions as determined by the Committee, a Participant may assign or transfer an Award without consideration (each transferee thereof, a "Permitted Assignee") (i) to a trust which the Participant is the sole beneficiary of; (ii) to a holding entity (as such term is defined in NI 45-106 of such Participant) of which the Participant is the sole shareholder; or (iii) to an RRSP, RRIF or TFSA of such Participant; provided that such Permitted Assignee shall be bound by and subject to all of the terms and conditions of the Omnibus Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations; and provided further that such Participant shall remain bound by the terms and conditions of the Omnibus Plan. The Company shall cooperate with any Permitted Assignee and the Company's transfer agent in effectuating any such permitted transfer. No Award granted hereunder may be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.

11.5 Termination of Employment or Services. The date of termination of a Participant's employment or services will be determined by the Committee, which determination will be final.

11.6 Grant of Awards. Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Subsidiaries in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.

11.7 Conformity to Plan. In the event that an Award is granted or an Award Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.

11.8 Rights as a Shareholder. Subject to Section 6.3, neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Without in any way limiting the generality of the foregoing, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.

11.9 Deferral. The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred.

11.10 Dividend Equivalents. Subject to the provisions of the Plan and any Award Agreement, the recipient of an Award may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, amounts equivalent to cash, stock or other property dividends on Shares ("Dividend Equivalents") with respect to the number of Shares covered by the Award, as determined by the Committee, in its sole discretion, provided that any grant or issue of Dividend Equivalents that are stock dividends do not exceed the applicable limits set forth in Section 3.1. The Committee may provide that the Dividend Equivalents (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested or accumulated and credited to a bookkeeping account, but in any event shall be subject to the same restrictions and risk of forfeiture as the underlying Award and shall not be paid unless and until the underlying Award is vested.

11.11 Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of his or her services for the Company and any Subsidiary is reduced (for example, and without limitation, if the Participant is an Employee and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board has the right in its sole discretion to (x) make a corresponding

reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (y) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

12. MISCELLANEOUS

12.1 Award Agreements. Each Award Agreement shall either be (a) in writing in a form approved by the Committee and executed by the Company by an officer duly authorized to act on its behalf, or (b) an electronic notice in a form approved by the Committee and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking one or more types of Awards as the Committee may provide; in each case and if required by the Committee, the Award Agreement shall be executed or otherwise electronically accepted by the recipient of the Award in such form and manner as the Committee may require. The Committee may authorize any officer of the Company to execute any or all Award Agreements on behalf of the Company. The Award Agreement shall set forth the material terms and conditions of the Award as established by the Committee consistent with the provisions of the Plan.

12.2 Tax Withholding.

- (a) Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Committee determines, including by (i) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 12.2 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, (ii) requiring that the Participant remit, at or before the exercise of such Award, payment in cash of an amount equal to such withholding obligation in respect of such exercise; or (iii) any other mechanism as may be required or determined by the Company as appropriate.
- (b) Notwithstanding Section 12.2(a), the applicable tax withholdings may be waived where a Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which subsection 100(3) of the regulations made under the Tax Act apply.

12.3 Right of Discharge Reserved; Claims to Awards. Nothing in the Plan nor the grant of an Award hereunder shall confer upon any Employee, Director or Consultant the right to continue in the employment or service of the Company or any Subsidiary or affect any right that the Company or any Subsidiary may have to terminate the employment or service of (or to demote or to exclude from future Awards under the Plan) any such Employee, Director or Consultant at any time for any reason. The Company shall not be liable for the loss of existing or potential profit from an Award granted in the event of termination of an employment or other relationship. No Employee, Director or Consultant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees, Directors or Consultants under the Plan.

12.4 Substitute Awards. Notwithstanding any other provision of the Plan, the terms of Substitute Awards may vary from the terms set forth in the Plan to the extent the Committee deems appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

12.5 Clawback. Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement or any policy adopted by the Company, will be subject to such deductions and clawback as may be required to be made pursuant

to such law, government regulation stock exchange listing requirement or policy. Without limiting the generality of the foregoing, the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Committee may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or Exchange Rules, including any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Committee, and to cause any and all Permitted Transferees of the Participant to cooperate fully with the Committee, to effectuate any forfeiture or disgorgement required hereunder. Neither the Committee nor the Company nor any other person, other than the Participant and his or her Permitted Transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or his or her Permitted Transferees, if any, that may arise in connection with this Section 12.5.

12.6 Securities Law Compliance.

- (a) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Award, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the Exchange Rules and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (b) The Company shall have no obligation to issue any Shares pursuant to this Plan unless upon official notice of issuance such Shares shall have been duly listed with the Exchange. Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.

12.7 Nature of Payments. All Awards made pursuant to the Plan are in consideration of services performed or to be performed for the Company or any Subsidiary, division or business unit of the Company or a Subsidiary. Any income or gain realized pursuant to Awards under the Plan constitutes a special incentive payment to the Participant and shall not be taken into account, to the extent permissible under applicable law, as compensation for purposes of any of the employee benefit plans of the Company or any Subsidiary except as may be determined by the Committee or by the Board or board of directors of the applicable Subsidiary (or as may be required by the terms of such plan).

12.8 Listing of Shares. So long as the Shares are listed on the Exchange, the Company must apply to the Exchange for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on the Exchange.

12.9 Other Plans. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

12.10 Severability. The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

12.11 Governing Law. The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

12.12 Effective Date of Plan; Termination of Plan. The Plan shall be effective on the date of the approval of the Plan by the holders of the shares entitled to vote at a duly constituted meeting of the shareholders of the Company. The Plan shall be null and void and of no effect if the foregoing condition is not fulfilled and in such event each Award shall, notwithstanding any of the preceding provisions of the Plan, be null and void and of no effect. Awards may be granted under the Plan at any time and from time to time until the Plan is terminated by the Board, on which date the Plan will expire except as to Awards then outstanding under the Plan. Such outstanding Awards shall remain in effect until they have been exercised or terminated, or have expired.

12.13 No Restriction on Corporate Actions. The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, arrangement, combination, merger or consolidation involving the Company or to create, issue, redeem or repurchase any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

12.14 Foreign Employees and Consultants. Awards may be granted to Participants who are foreign nationals or employed or providing services outside Canada, or both, on such terms and conditions different from those applicable to Awards to Employees or Consultants providing services in Canada as may, in the judgment of the Committee, be necessary or desirable in order to recognize differences in local law or tax policy. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Employees or Consultants on assignments outside their home country.

12.15 No Obligation to Notify or Minimize Taxes; No Liability for Taxes. The Company has no duty or obligation to any Participant to advise such holder as to the time or manner of exercising any Award. Furthermore, the Company has no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award and will not be liable to any holder of an Award for any adverse tax consequences to such holder in connection with an Award. As a condition to accepting an Award under the Plan, each Participant (i) agrees to not make any claim against the Company, or any of its officers, Directors, Employees, Subsidiaries, Affiliates, agents or advisors related to tax liabilities arising from such Award or other Company compensation and (ii) acknowledges that such Participant was advised to consult with his or her own personal tax, financial and other legal advisors regarding the tax consequences of the Award and has either done so or knowingly and voluntarily declined to do so.

12.16 No Registration Rights; No Right to Settle in Cash. The Company has no obligation to register with any governmental body or organization (including, without limitation, the SEC) any of (a) the offer or issuance of any Award, (b) any Shares issuable upon the exercise of any Award, or (c) the sale of any Shares issued upon exercise of any Award, regardless of whether the Company in fact undertakes to register any of the foregoing. In particular, in the event that any of (x) any offer or issuance of any Award, (y) any Shares issuable upon exercise of any Award, or (z) the sale of any Shares issued upon exercise of any Award are not registered with any governmental body or organization (including, without limitation, the SEC), the Company will not under any circumstance be required to settle its obligations, if any, under this Plan in cash.

12.17 Participant Information. Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer the Plan. Each Participant acknowledges that information required by the Company in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties including the Exchange, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

12.18 Indemnity. To the extent allowable pursuant to applicable law, each member of the Committee or of the Board and any person to whom the Committee has delegated any of its authority under the Plan shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided, that in relation to the subject matter of the proceeding the indemnitee acted honestly and in good faith with a view to the best interests of the Company or the Subsidiary, as applicable, and in the case of a proceeding other than a civil proceeding, the indemnitee had reasonable grounds for believing that his conduct in respect of which the proceeding was brought was lawful and, further provided, he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to applicable law or the Company's Articles, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

12.19 Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Committee, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Committee or Board consents, resolutions or minutes) documenting the corporate action approving the grant contain terms (e.g., exercise price, vesting schedule or number of Shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the papering of the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

12.20 Headings. The headings in the Plan are for convenience of reference only, and are not intended to narrow, limit or affect the substance or interpretation of the provisions contained herein.
