

## KORE PROVIDES A CORPORATE UPDATE AND ANNOUNCES PROPOSED SHARE CONSOLIDATION

Vancouver, BC - August 19, 2025 – KORE Mining Ltd. (TSXV: KORE) (“KORE” or the “Company”) is pleased to announce that its Board of Directors has approved a consolidation of its issued and outstanding common shares of the Company (the “Common Shares”) on the basis of one (1) new Common Share for every five (5) outstanding Common Shares (the “Consolidation”). The Company believes that the Consolidation will enhance its ability to pursue future financing opportunities. The Consolidation remains subject to the Exchange approval.

As of today, the Company has 202,426,357 Common Shares issued and outstanding. After the Consolidation, there will be approximately 40,485,271 Common Shares issued and outstanding (subject to any differences due to rounding). No fractional Common Shares will be issued as a result of the Consolidation. Any fractional share less than one-half of a Common Share will be cancelled, and any fractional share equal to or greater than one-half will be rounded up to the nearest whole share. In calculating such fractional interests, all Common Shares held by a beneficial holder shall be aggregated. No cash consideration will be paid in respect of fractional shares. The exercise or conversion price and the number of Common Shares issuable under any of the Company’s outstanding convertible securities will be proportionately adjusted upon the Consolidation.

The Company does not intend to change its current name of “Kore Mining Ltd.” or its current trading symbol of “KORE” in connection with the proposed Consolidation. The effective date and new ISIN assigned post-Consolidation will be announced in a subsequent news release.

In addition, the Company announces that today the proposed non-brokered private placement announced on November 1, 2024, and the proposed shares for debt transactions announced on March 29, 2024 and approved at the Company’s annual general meeting held July 5, 2024, have been cancelled.
